The new Audi RS Q3

Pricing and Specification Guide

Valid from January 2014

Personalising your Audi RS Q3

This guide has been designed to help you tailor and price your Audi RS Q3 quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi RS Q3 online at audi.co.uk

Audi Vision

To accompany this printed guide, we've created Audi Vision – an intuitive app that lets you find out even more about the Audi RS Q3. Compatible with Apple and Android phones and tablets, Audi Vision gives you exclusive access to images, information and video content – all of which is designed to help you explore and understand the options available with this model.

You'll see the Audi Vision logo printed next to the page number on pages throughout this guide and wherever you do, you'll be able to view additional content on that page.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

IN RQ 3001

Introducing the RS Q3

It takes a special car to go from 0-62mph in just 5.2 seconds. It takes an even more special SUV.

The Audi RS Q3 is our first ever Q model to wear the coveted RS badge. So it should come as no surprise that it features a 2.5-litre TFSI engine capable of a remarkable 310PS. As well as the sporty performance you'd expect from an RS model, innovations like quattro all-wheel-drive and wave disc brakes which quickly dissipate heat, work together to deliver a controlled and dynamic ride.

RS Q3

RS Q3
interior story

Impressive performance isn't all you'll notice from behind the wheel of the Audi RS Q3. We've paid attention to every small detail, from the luxurious Fine Nappa leather to our optional diamond-patterned stitching. So you can arrive at an interior that suits you perfectly.

Engine

2.5 TFSI engine

The 2.5-litre engine in the Audi RS Q3 is made for high performance – producing 310PS of power and 420 Nm of torque from 1,500-5,200 rpm. This gives superior power at lower revs and enormous sprinting ability up to a maximum speed of 155 mph.* The 5-cylinder core design makes for an unmistakable sound, while its compact dimensions and low weight help the overall balance of the car.

Image for illustrative purposes only.
*Electronically limited.

Transmission

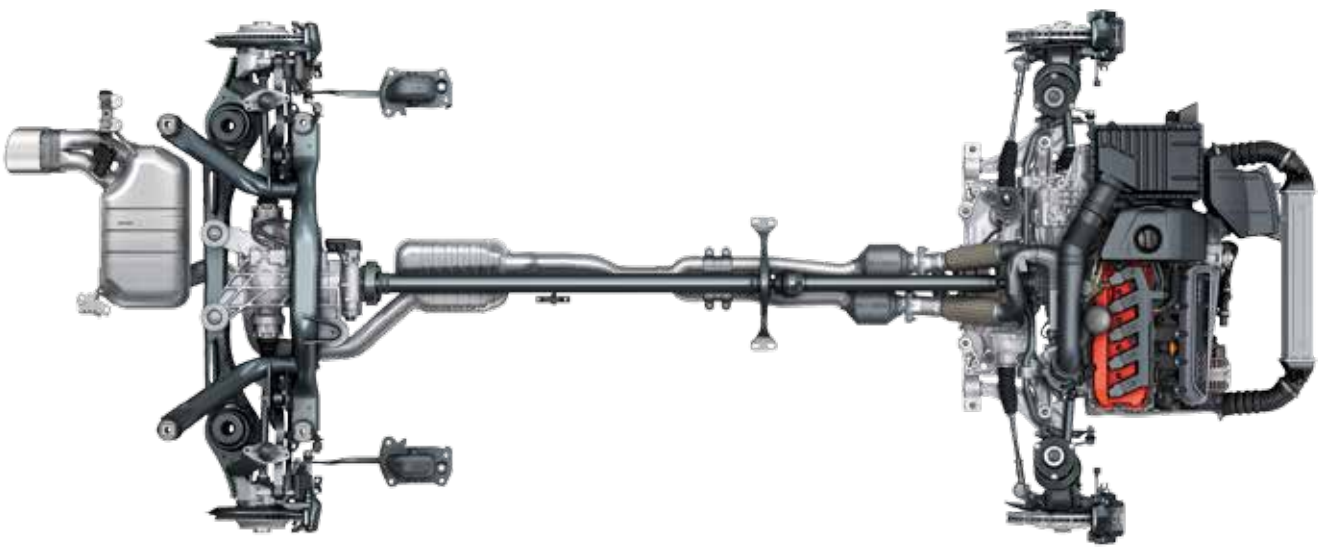
S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

Technology

quattro® permanent all-wheel-drive

Like every RS model, the Audi RS Q3 comes with quattro® permanent all-wheel-drive as standard. It offers superior traction, driving dynamics, safety and stability, particularly on high-performance vehicles. Using a special electronically controlled multi-plate clutch, it distributes power smoothly between the front and rear wheels to just where it's needed. So you'll have outstanding grip in even the most demanding situations.



*Electronically limited.

High-performance braking system

A car as powerful as the RS Q3 needs an equally powerful system to slow it down. The 18” high-performance braking system has black, high-gloss 8-piston fixed callipers, while the 365mm Wave brake discs with RS logo are internally ventilated and perforated for enhanced performance.

Audi drive select

With the standard Audi drive select, you can change the way your Audi RS Q3 drives at the touch of a button. The system does this by altering the car’s steering and acceleration characteristics. There are three modes available. Auto is the standard mode, balancing performance and comfort; dynamic mode is designed for sportier driving; and comfort mode tailors everything for a smoother, easier ride.

RS
IN RQ 3

3001

Standard model equipment

All RS Q3 models have the following items of standard equipment

The RS range incorporates some of our most exclusive, dynamic and sporty models. But in the unmistakable RS Q3, you'll find not only the high performance and sophistication you'd expect, but also a surprising level of functionality that makes this a great car for everyday use.

Engine and transmission

Efficiency program in the Driver's Information System (DIS) – provides the driver with fuel-saving tips and a gear-change indicator

Recuperation – increasing the generator voltage converts kinetic energy into usable electric power when the vehicle is coasting or braking. This recuperated (brake) energy is then used to assist the generator during subsequent acceleration, giving a fuel saving of up to 3%

Start-stop system – helps to reduce fuel consumption and CO_2 emissions by switching off the engine in stationary phases e.g. at traffic lights. The start process is initiated as soon as the foot brake is released when moving off again. Can be deactivated via a button at any time

Wheels, tyres and suspension

20" x 8.5J '5-twin-spoke-V' design alloy wheels with 255/35 R20 tyres

Anti-theft wheel bolts

Audi drive select – changes vehicle characteristics by adapting power steering assistance, accelerator characteristics and exhaust flap control. The system also influences the cornering light function of the optional adaptive lights (if fitted). Modes available: comfort, auto and dynamic

Electromechanical parking brake – includes parking brake function when the car is stationary, auto-release function to assist when pulling away and emergency braking function on all four wheels

RS high-performance braking system – 18-inch diagonally-split high-performance braking system, Antilock Brake System (ABS) with Electronic Brake Force Distribution (EBD), Electronic Stabilisation Control (ESC), hydraulic brake assist, adapted brake booster function; wave brake discs at front in composite design, ventilated and perforated, ventilated brake discs at rear; brake callipers painted in high-gloss black, front callipers feature RS emblem

RS sports suspension – with dynamically tuned spring/damper combination; McPherson spring strut-type axle at the front with lower wishbones and aluminium subframe; four-link rear axle with separate spring/damper arrangement, subframe

Tyre mobility kit

20" x 8.5J '5-twin-spoke-V' design alloy wheels

RS braking system

Audi Music Interface

Audio and communication

6.5" display screen – manually retractable

Audi Music Interface (AMI) – provides connection to Apple iPod from 4th generation and Apple iPhone, as well as USB storage media and MP3 players

Audi sound system with 10 speakers including centre speaker in the dashboard and subwoofer beneath the luggage compartment floor. Total output of 180 Watts and 6-channel amplifier

Bluetooth interface – for handsfree mobile phone connectivity and Bluetooth audio streaming (depending on compatibility of mobile phone)

Colour Driver's Information System (DIS) – with high-resolution 3.5" TFT colour display in the dashboard binnacle. The DIS shows the radio frequency/station or track title, telephone control menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer, door or boot open warning and efficiency program; RS menu with display of charging pressure, oil temperature and lap timer

Concert radio which includes:
- 50-station memory with dynamic station list, FM (VHF) and AM (MW) reception
- Single CD drive and two SDHC memory card readers (up to 32GB) which are MP3, WMA and AAC compatible
- MMI operating logic
- Speed-dependent volume control (GALA)
- TP memo function whilst driving

DAB digital radio reception – integrated into the MMI, receives digitally-transmitted radio stations in addition to the range of analogue stations. Displays music track, artist and radio program. Capable of 'DAB slideshow' where transmitted. Reception dependent on local digital network. Automatic switch from DAB to FM reception if the network signal is not strong enough

Preparation for SD card-based navigation system – allows maps to be retro-fitted using parts from Audi Genuine Accessories

Voice control system – for key telephone and radio functions

Interior equipment

Aluminium-look pedals

Black cloth headlining

Cup holders – 2, integrated into the centre console

Door sill trims with aluminium insert and RS Q3 logo

Dual-zone electronic climate control with sunlight-dependent control – electronically controls the air temperature, flow rate distribution, separate temperature distribution for driver and front-passenger side, automatic air recirculation control using an air quality sensor, combined filter, air vents in the rear centre console, ventilated glove compartment, separate defroster button for rapid defrosting of the windscreen and side windows, key-coded settings, includes a light/rain/humidity sensor

Electric windows – front and rear with safety system to limit maximum closing force and convenience opening/closing via remote control key

Flat-bottomed RS Q3 3-spoke perforated leather-trimmed multi-function steering wheel with contrast stitching in Rock grey and aluminium-look gear shift paddles

Front and rear floor mats in black velour

Front centre armrest which can be moved forwards/backwards with adjustable angle. Also includes folding storage compartment and a 12-Volt socket in the rear centre console

Inlays in Aluminium Race design in the dashboard, door trims and centre console

Instrument cluster with grey dials, red needles and white scales, RS logo in the rev counter, automatic ready-check, adjustable lighting, electronic speedometer with odometer and trip odometer, rev counter, digital clock, coolant temperature display and fuel gauge

Interior lighting front and rear, with delayed switch-off and contact switches on all doors; luggage compartment and glove compartment lighting

Luggage compartment sill protection in stainless steel

Reversible luggage compartment floor – one side in high-quality velour, the other with a waterproof, hard-wearing plastic surface. Also includes additional storage compartments under the floor

RS selector lever knob in perforated leather, with RS emblem and trim ring in aluminium-look; selector lever gaiter in leather with decorative stitching in Rock grey

Smoking package – includes ashtray with removable aluminium-look lid with Audi rings and a cigarette lighter in the centre console (non-smoking package is available at no charge)

Steering wheel adjustable for height and reach

Washer fluid level indicator

Aluminium-look pedals

Door sill trims with aluminium insert and RS Q3 logo

Flat-bottomed RS Q3 3-spoke perforated leather-trimmed multi-function steering wheel*

* Image shown also includes optional Inlays in Carbon which is available at additional cost

Standard model equipment

continued

Seats

Heated front seats – individually adjustable in several stages for driver and front passenger seats. Seats, backrest centre panels and side seat bolsters can be heated

Front Sports seats with shaped seat side bolsters for better lateral support. Also includes manual adjustment of seat height, fore/aft position, seat angle, head-restraint height and seat belt height plus electric 4-way lumbar support and extendable thigh support

ISOFIX child seat mounting for front passenger (with airbag deactivation) and outer rear seats including electric child-proof locks for the rear doors and window controls; operated via the child-proof lock buttons in the driver's door armrest

Seats upholstered in black Fine Nappa leather with embossed RS Q3 logo in the front seat backrests and contrast Rock grey stitching

Split-folding rear seat back

Exterior equipment

Door mirrors with matt aluminium-look housing electrically adjustable and heated with integrated LED indicator signals

Flat, Metallic or Pearl effect paint

Full body colour paint finish to the front and rear underbody guard, wheel arch trims and lower door trims

Headlight washers

Heated windscreen washer jets

Matt aluminium styling package which includes:

- Radiator grille frame, window trims and roof rails in matt aluminium-look
- Funnel-shaped air intake frame, upper edge of rear diffuser insert and RS roof spoiler in body colour
- Radiator grille, quattro logo, side air intake funnels, B-pillar window trim and triangular panels on the rear doors in high-gloss black

RS design body styling which includes:

- Audi Single frame radiator grille with honeycomb-design grid in high-gloss black with RS logo and one-piece trim frame in matt aluminium-look
- RS bumpers in a sporty dynamic design; at the front with large air inlets and side flaps in high-gloss black as well as body-coloured funnel-shaped air intake with quattro logo and at the rear with diffuser in high-gloss black
- RS design rear roof spoiler on the luggage compartment lid, painted in body colour
- RS Q3 model name of the luggage compartment lid

RS exhaust system with large, chrome-plated, oval tailpipe on the left

Tow bar bracket preparation – includes the wiring to the spare wheel well and control unit and adapted engine cooling. The set of parts for retrofitting is available from Audi Genuine Accessories

Windscreen with sunband for improved insulation of the windscreen and acoustic glass for reduced outside noise

Xenon Plus headlights with automatic/dynamic headlight range control and LED daytime running lights strip. Also includes rear lights, brake lights and rear turn signals all featuring LED technology

Front Sports seats in black Fine Nappa leather with contrasting stitching in Rock grey*

RS design body styling and Xenon Plus headlight

*Image shown also includes optional electric front seats and under-seat storage contained in the Storage package, both of which are available at additional cost.

Safety and security

Airbags which include:

- Full size airbags for the driver and front passenger; in conjunction with ISOFIX child seat mounting for the front passenger seat including deactivation switch for the front passenger airbag
- Front side airbags integrated into the seat backrests
- Head airbag system: deploys over the side windows to protect the front and outer rear seat passengers in the event of a side impact

Antilock Brake System (ABS) with Electronic Brake Force Distribution (EBD) and hydraulic brake assist

Anti-Slip Regulation (ASR) reduces spinning of the drive wheels by reducing engine power and delivering more traction and stability on the road surface

Audi parking system plus – acoustic and visual parking aid for the front and rear of the vehicle with on-screen display of distance remaining from obstacles using a graphical representation. Measurement is by ultrasonic sensors integrated discreetly into the bumpers

Electronic Differential Lock (EDL). On surfaces with varying levels of grip, this start-off assistant automatically brakes the drive wheels on surfaces that are too slippery, thereby ensuring smooth, powerful progress

Electronic Stabilisation Control (ESC) with sport mode, can be activated in two stages; networks to the ABS, EBD, ASR and EDL with its own sensors and compares the driving data with reference data; provides better stability by targeted braking of individual wheels and intervention in the engine management system

First aid kit located in the right-hand side trim of the luggage compartment

Light and rain sensor – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Also includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatic activation of the lights when unlocking

Rear fog lights

Remote central locking with two foldaway keys – includes convenience closing and opening of the windows; with RS emblem

Seat belt reminder for all seats; an acoustic and visual warning signal reminds the passenger in the front seat to fasten their seat belts, a visual warning signal indicates when seat belts have been undone in the rear

Thatcham Category 1 alarm and immobiliser

Tool kit and car jack

Warning triangle

RS exhaust system

Xenon Plus headlight

RS Q3

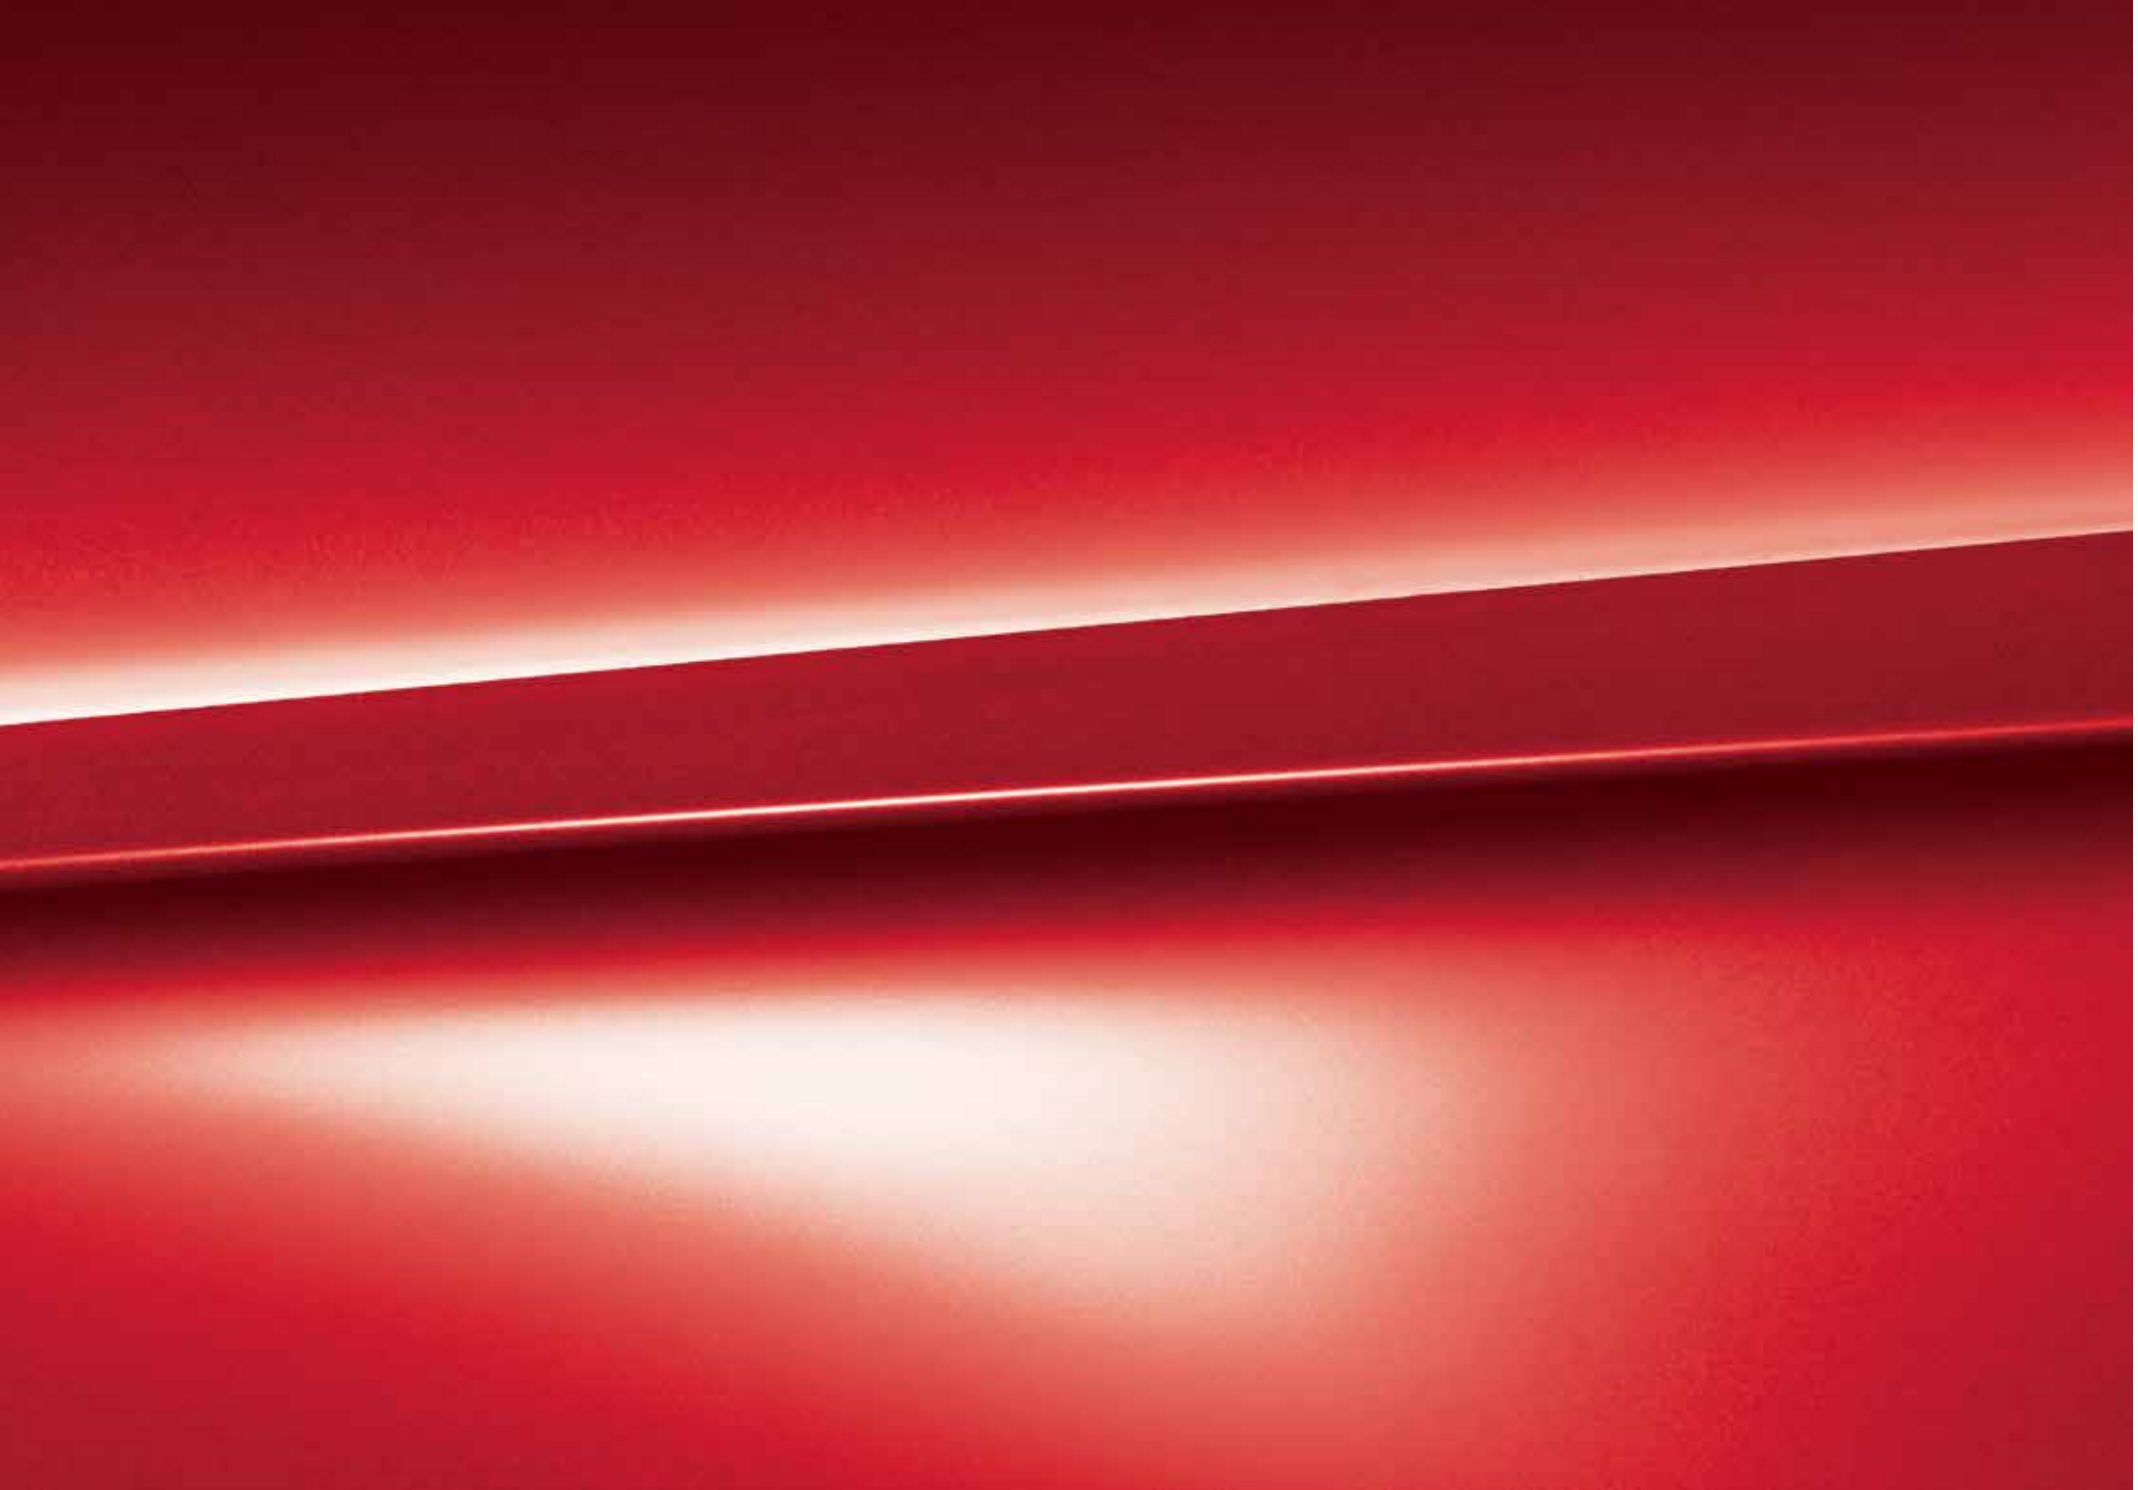
Audi exclusive

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new RS Q3 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Paint

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.



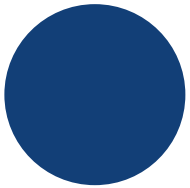
Paint

You can select the standard colour shown opposite or, for a different look, choose from a range of optional finishes.

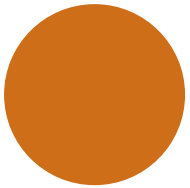
Standard colours

Amalfi white – **Y5**

Optional colours

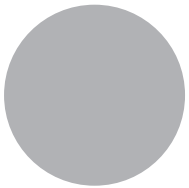


Sepang blue, pearl effect – **E9**



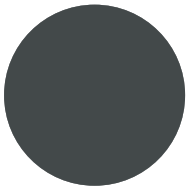
Samoa orange, metallic – **J0**

Misano red, pearl effect – **N9**

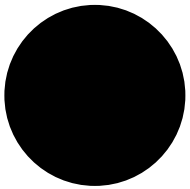


Ice silver, metallic – **P5**

Glacier white, metallic – **2Y**



Daytona grey, pearl effect – **6Y**



Phantom black, pearl effect – **L8**

Options are subject to availability and may extend delivery.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

Paint

Audi exclusive

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range. Whether it's Sepang blue from the Audi R8 or Alpine white from the original Audi quattro, the choice is yours.*

Customised paint

If you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.**

*Audi exclusive paint is subject to factory approval. Visit your local Audi Centre for colour samples.

**Customised paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

Order Code		RS Q3	Basic RRP	Total RRP inc VAT
9ZF	**Mobile telephone preparation – Low with Bluetooth.** Provides handsfree connection via Bluetooth and includes an external aerial connection and charging facility for optimal mobile phone reception. To use the external aerial and charging facility, an optional cradle will be required at extra cost – please contact your Audi Centre for phone compatibility	•	£145.83	£175.00
9ZW	**Mobile telephone preparation – High with Audi connect.** Audi connect provides access to a number of innovative online services via an internal UMTS (3G) module. Audi connect online services include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet). Many Audi connect features can be simply operated via MMI Navigation Plus, the multi-function steering wheel or the voice control system. Only in combination with Technology package (WB4). Important connectivity information: An external data source is required to enable the Audi connect online services. One of the two following external data sources can be used 1. A mobile telephone with Bluetooth SIM Access Profile 2. A separate SIM card which can be inserted in the included SIM card reader. When a separate SIM card is used, hands free phone calls are possible using the SIM card or by connecting a different mobile telephone via Bluetooth Hands Free Profile	•	£291.67	£350.00

Options are subject to availability and may extend delivery.

[1]Online services are only available for mobile phone contracts or SIM cards which include a data option and only within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended. The content and scope of the online based services offered may vary.

[2]To check the compatibility of your mobile phone and whether it has SIM Access Profile compatibility, please visit www.audi.co.uk/owners-area/phone-compatibility.html

Safety and security

Intelligent technology designed to give you better all-round awareness and safety on the road.

Order Code		RS Q3	Basic RRP	Total RRP inc VAT
7X8	**Audi parking system advanced with rear reversing camera.** Acoustic and visual parking aid for front and rear, image of area behind the vehicle shown on the MMI display, with dynamic display modes showing the calculated path (steer-angle dependent), including help lines and guidelines for parking in bays and identification of point at which to apply opposite lock when parallel parking, reversing camera integrated discreetly in the handle strip of the luggage compartment lid	•	£333.33	£400.00
8T2	**Cruise control.** Maintains any speed above 18mph, provided that the engine power output and engine braking effect permit it; operated via separate steering column stalk, set speed is displayed in the Driver's Information System (DIS)	•	£187.50	£225.00
8Q5	**Adaptive headlights.** The dynamic cornering light infers the course of the road from the movement of the steering wheel and variably illuminates the bend by swivelling the Xenon headlights; operational between speeds of approximately 6mph and 68mph	•	£245.83	£295.00
8N7	**High-beam assist.** Working within system limits, it automatically detects the headlights of oncoming traffic, the rear lights of other road users and built up areas. Depending on the traffic situation, the high beam is automatically switched on or off. The system thereby improves the driver's visibility and safety and ensures a more relaxed drive thanks to extra comfort and convenience. Only in combination with Auto dimming rear-view mirror (4L6)	•	£83.33	£100.00
4X4	**Rear side airbags.** Situated in the side of the rear seats	•	£250.00	£300.00

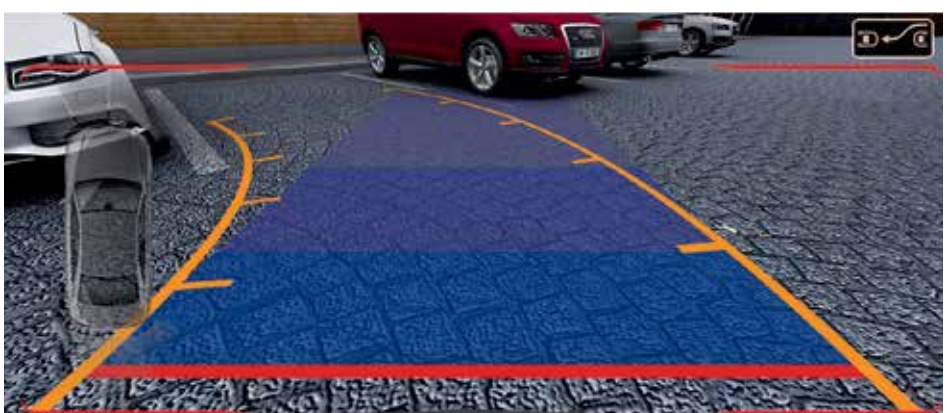
Audi parking system advanced with rear reversing camera



Audi parking system advanced with rear reversing camera

Safety and security

Intelligent technology designed to give you better all-round awareness and safety on the road.

Order Code		RS Q3	Basic RRP	Total RRP inc VAT
UH2	**Audi hill-hold assist.** Once the vehicle comes to a stop, Audi hill-hold assist uses either the ESP system or the electromechanical parking brake to hold the vehicle stationary for an unlimited amount of time, thus preventing it from rolling away on uphill or downhill gradients	●	£75.00	£90.00
UG5	**Hill descent control.** Speed control by means of brake intervention and engine drag torque, whilst constantly maintaining speed depending on surface. The driver just has to steer, but does not have to accelerate or brake	●	£162.50	£195.00
7Y1	**Audi side assist.** Aids the driver when changing lane. Audi side assist monitors the area behind your car using radar sensors located discreetly in the rear bumper. It then informs the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using a button in the driver's door	●	£375.00	£450.00
7Y4	**Audi active lane assist.** Lane markings are registered by an optical sensor in the windscreen from speeds of approximately 40mph or above. Camera identifies individual or coloured lane markings, e.g. yellow lines at roadworks. The lane departure warning system warns the driver if a detected lane marking is approached without indicating, and helps the driver to steer back towards the middle of the lane by making gentle steering movements. Steering wheel vibration can be activated as an additional warning when crossing lane markings. System is activated manually by a switch on the turn signal lever. Only available in combination with high beam assist (8N7) and auto-dimming rear-view mirror (4L6). When ordered with Technology package, speed limit display is included as a no cost option	●	£375.00	£450.00
QR9	**Speed limit display.** Camera-based recognition and display of speed limits, including temporary speed limit displays (e.g. above motorways). Additionally, working within system limits, there is an evaluation of the particular situation in wet conditions, for speed limits that vary depending on time of day, for roadworks and when using a trailer. If a sign has not been recognised by the camera, thanks to Audi Connect (9ZW) (if fitted) the speed limit taken from the navigation data (where available) can be displayed. Only available as a no cost option when Technology package and Audi active lane assist are ordered together	●	No charge	No charge

Options are subject to availability and may extend delivery.

– = Not available

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**

The Audi Difference

The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the fixed Inspection Service and the Flexible Service schedule. The conventional fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the Flexible Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service schedule for you based on your individual circumstances and preferences.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum. Mainly city/town centre driving. Short journeys.
	Service Intervals:
Oil-change Service	Fixed to every 9,000† miles/1 year
Inspection Service	Fixed to every 19,000† miles/2 years

Flexible Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum. Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000† miles/2 years
Inspection Service	Fixed to every 19,000† miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

†As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk

* Subject to availability.

**Excludes wear and tear.

*Electronically limited.

**Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of Directive 80/1269/EEC).

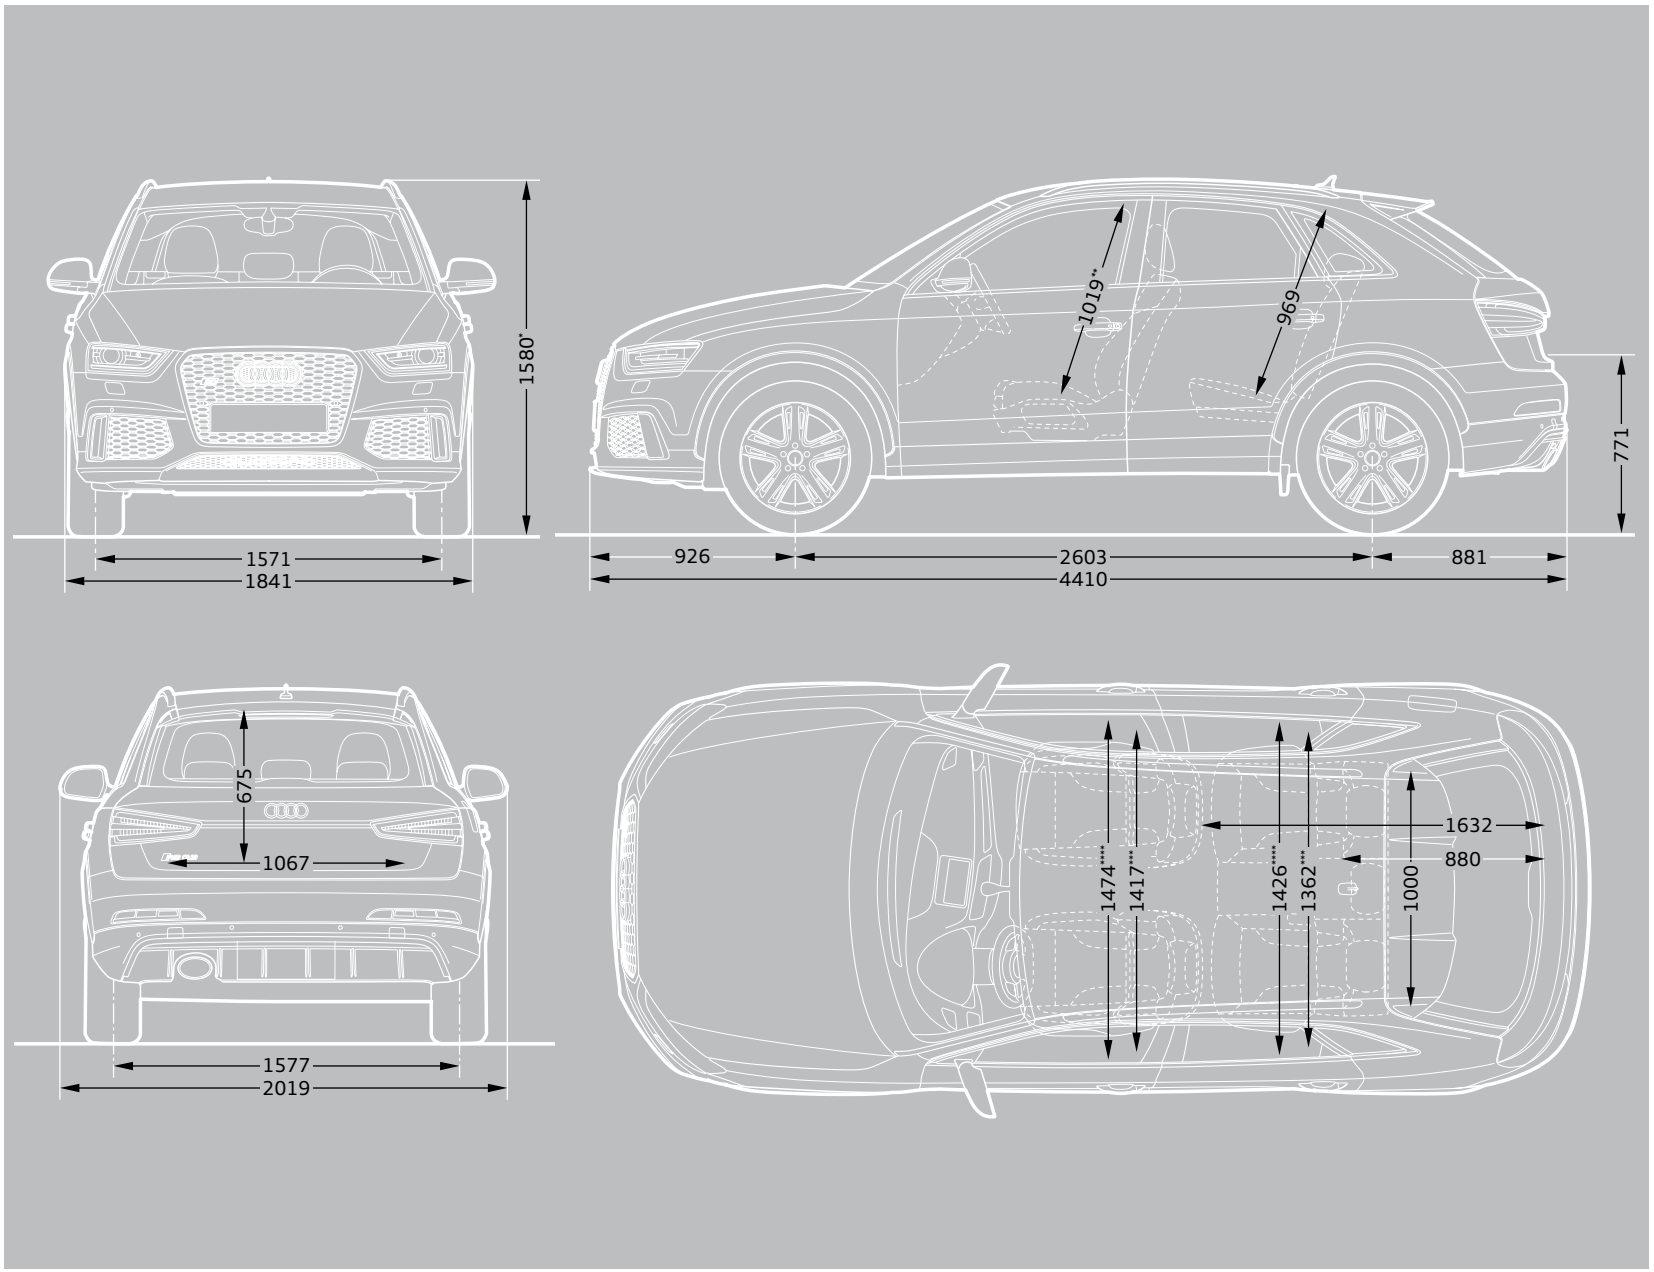
[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 92/21/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]Loaded up to roof with rear seat folded down.

RS Q3 dimensions

The technical drawings opposite show the exact dimensions of the RS Q3, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions in millimetres

*With roof aerial the height of the vehicle is 1,598mm

**Maximum headroom

***Shoulder width room

****Elbow width room

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 356/1,261 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down). Turning circle approx. 11.8m.

Pricing and Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call 01908 548 356.

Audi Finance

Audi Finance specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary 7-day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am–9pm, and Saturday 9am–5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

Audi Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Audi Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Conduct Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£105.00
E – 131 to 140g/km	£125.00	£125.00
F – 141 to 150g/km	£140.00	£140.00
G – 151 to 165g/km	£175.00	£175.00
H – 166 to 175g/km	£285.00	£200.00
I – 176 to 185g/km	£335.00	£220.00
J – 186 to 200g/km	£475.00	£260.00
K – 201 to 225g/km	£620.00	£280.00
L – 226 to 255g/km	£840.00	£475.00
M – over 255g/km	£1,065.00	£490.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate
